Dear Ms. Moran:

Re: Real Estate Remediation, LLC -- General Notice Letter for the Goodrich
Asbestos Site in Miami, Ottawa County, Oklahoma

The purpose of this letter is to request a sixty (60) day extension for time within which Real Estate Remediation, LLC (RER) has to respond to a letter addressed to RER titled "General Notice Letter".

The undersigned received an email from you regarding a General Notice Letter dated July 31, 2020 and requesting a response within sixty (60) days of the email. RER respectfully requests a sixty (60) day extension of that time within which to file its response due to the cessation of business activities by RER on the Miami, Oklahoma site, and the need to consult with past employees and with independent contractors hired for technical assistance on the site. I might note that the email to me contained emails to "blakeneyproperties@yahoo.com," and this email address is not the address of RER.

RER takes this matter seriously and needs this additional time within which to provide a response to those matters outlined in the General Notice Letter.

Since your email copied Mr. David Eppler, identified as Enforcement Officer, I am also copying Mr. Eppler with this email.
